Integrating ARQC Research to Deliver Scientific Discovery Quantum Computing Workshop

Wednesday, 4 December 2019

ASCR Accelerated Research for Quantum Computing Project Overview: FAR-QC (Fundamental Algorithmic Research) - Ojas Parekh - Building 66 Auditorium (08:40 - 09:10)

ASCR Accelerated Research for Quantum Computing Project Overview: TEAM (Tough Errors Are no Match) - Dave Clader - Building 66 Auditorium (09:10 - 09:40)

ASCR Accelerated Research for Quantum Computing Project Overview: AIDE-QC (Advancing Integrated Development Environments for Quantum Computing through Fundamental Research) - Bert de Jong - Building 66 Auditorium (09:40 - 10:10)

ASCR Accelerated Research for Quantum Computing Project Overview: Moderated discussion on possible cross collaboration opportunities - Building 66 Auditorium (13:40 - 14:00)
