

High-Energy $e+e^-/\gamma\text{-}\gamma$ and low-energy demonstrator

Friday, 10 December 2021 13:10 (50 minutes)

Continue developing quantitative numbers and physics case at 10 TeV scale towards white paper and for inclusion in Energy and Theory frontier.

Presenters: NACHMAN, Benjamin; SCHROEDER, Carl; JACOBS, Peter; KNAPEN, Simon; PAGAN GRISO, Simone

Session Classification: High Energy Colliders
