

Fundamental Physics from Future Spectroscopic Surveys

Monday, 6 May 2024

Session 2: Theoretical Modeling and Higher Order Statistics - Auditorium (10:45 - 12:15)

-Conveners: Martin White

time	[id] title	presenter
10:45	[9] Fundamental Physics from Galaxy Surveys	Prof. IVANOV, Mikhail
11:15	[7] Non-Gaussian Statistics for Non-Gaussian Physics	Dr PHILCOX, Oliver
11:45	[36] Higher-order statistics as probes for parity symmetry	HOU, Jiamin
12:00	[44] Promising Results and Prospective Probes of Parity	Prof. SLEPIAN, Zachary
