

Review of all work done this week

Friday, 17 January 2025 13:00 (1h 30m)

First we will have a roundtable for all people:

- please prepare to discuss any development you have made, and what's left to do on your issues
- if you have done physics studies, please prepare a presentation with results

We will then discuss assignment of new tasks for people interested in continuing developing

Session Classification: Lectures
