

Dear Contributor,

The proceedings for the LIDINE 2017 conference held on 22-24 September at SLAC National Accelerator Laboratory will be published in the Proceedings Section of JINST, Journal of Instrumentation.

To prepare your contribution for submission, please use the JINST Proceedings templates at [http://jinst.sissa.it/jinst/help/JINST\\_TeXclass.jsp](http://jinst.sissa.it/jinst/help/JINST_TeXclass.jsp)

Kindly notice that the number of pages should not exceed 5 pages (excluding authors list, abstract and references).

When writing your contribution, in addition to the scientific quality and relevance of the subject matter, it is advisable also to check the quality of formatting, language and style (i.e. incoherent use of unit of measure; different conventions used in the same paper such as abbreviations "\3 s", "\3 sec", "\3 seconds" and position: "\3C", "\3 C"; poorly organized tables; etc.)

When your contribution is ready for submission, please follow the instructions below:

1. Connect to <http://jinst.sissa.it> and register;
2. in the "Submit" section of the page select the link "submit a proceedings contribution"
3. select the LIDINE 2017 conference from the list
4. follow the step-by-step procedure for submission, referring to the instructions available in the section "For Authors" at the top of the JINST home page (<http://jinst.sissa.it/jinst/help/helpLoader.jsp?pgType=author>).

Kindly make sure you submit your LIDINE 2017 contribution by December 21, 2017.

For any further information and assistance, do not hesitate to contact us and the JINST Editorial Office ([jinst-eo@jinst.sissa.it](mailto:jinst-eo@jinst.sissa.it)).

Yours sincerely,
